

Could not find complaint form in this new do not call format hence the complaint here.

Tonight at 6:00, 6:20 and 6:40 WESTERN RESEARCH called. 2 of the callers were a Joan Mc Guire and Jessica Lynch. I told all 3 that my number, 727-586-4068 was registered on the NO CALL LIST. Seems it fell on deaf ears, hence this complaint. None of the callers would reveal their phone number.
